Stall Requirements

Due to the limited number of stall positions available, the following information will act as a component of the stall holder selection process. All vendors must have your own public liability insurance and all site applications must have a current copy of your insurance policy attached. If selling food, you must have a food licence in line with council regulations. Content and suitability of stalls will be taken into account and not all applications may be accepted. A booking fee of \$15.00 (inc GST) will apply to all stalls who are selected to participate in the event. Stall specific equipment may be available at extra cost.
